KEY MESSAGE FROM CMD

Dear Shareholders,

I welcome you all to the 23rd Annual General Meeting of the Company.

I take immense pleasure to inform that your company had passed the UK- MHRA audit for the sixth Consecutive Term .

At Bafna, our business objectives have always been aligned with the evolving needs of customers. When we are progressing on many fronts, consolidation of our competencies is critical to sustain momentum and growth. Multiple corporate initiatives helped us elevate the scale and scope of business.

The overall sale during the consolidation phase was Rs. 78.50 Crores as compared to Rs.66.10 Crores in the previous year. Your company is shifting its majority of focus on exports because of the product approvals obtained which was filed during the previous years and approval in countries where registrations are very tough.

During the year under review the Company has in order to reduce the debt has undertaken two major decision. As a result of that the debt has reduced from Rs. 80 Crores to Rs. 44 Crores.

The Company has sold 26% equity stake i.e 11,26,666 shares (Eleven Lakh Twenty-Six Thousand Six Hundred and Sixty-Six) and value being Rs. 16.90 Crs (Rupees Sixteen Crores and Ninety Lakhs only) in Strides Healthcare Private Limited (Unlisted Company) to Strides Shasun Limited for a total cash consideration of Rs. 46.93 Crores (Rupees Forty Six Crores and Ninety Three Lakhs Only) and used the proceeds to settle Long Term Loan from M/s ADITYA BIRLA FINANCE LIMITED to the extent of Rs. 39.43 Crs together with Interest and the remaining amount of Rs. 7.5 Crores used for current liabilities.

The Board of the Subsidiary Company (Bafna Lifestyle Remedies Limited) sold the Fixed assets of the Subsidiary Company and the sale proceeds was used to settle the dues owing to the Holding Company viz Bafna Pharmaceuticals Limited (BAFNA).

The company has filed dossiers in various countries and approvals for these products are expected in the ensuing year. Consequently, the company is hopeful of growing exports and launching products across geographies.

The Indian domestic market segment continues to face significant challenges particularly with respect to the realization cycle and while we will maintain our presence in the domestic market, the operations will be scaled down.

I would like to share with you a synopsis of the revised strategy:

- a. Focus on increasing revenue from contract manufacturing in Regulated markets.
- b. Focus on FR&D for launching new products.
- c. Expand presence in the UK and other European countries.
- d. Increase number of niche products in SAARC countries, in order to increase market share.
- e. Further increase revenue in existing markets by introducing new products. Africa and CIS countries would be our immediate target markets.

In this context, I would like to inform you that during FY18, your company got registrations for 69 products: (i) 18 in Sri Lanka (ii) 2 in Cambodia (iii) 1 in Peru (iv) 4 in Ukraine (v) 2 in Ethiopia (vi) 2 in Kazakhstan (vii) 6 in Cameroon (viii) 5 in Uzbekistan (ix) 2 in Kenya (x) 16 in UK (xi) 1 in Costa Rica (xii) 3 in Russia (xiii) 7 in Tanzania. As on date we have over **183** Product registrations and 164 Product applications is pending for approval across the globe.

The Company is witnessing a better acceptance of its products across multiple countries in its target markets and the increased order book is a reflection of the same.

Your Company is putting in significant efforts and resources in upgrading our manufacturing facilities to ensure that its products meet the ever growing and evolving global standards. The renewal with MHRA is one of the outcomes of these efforts.

At the close, I would like to thank the entire team of Bafna for their continued efforts, dedication and commitment. We are fortunate to have long term focused shareholders and would like to express our gratitude for their trust and confidence in us.

Warm Regards,

Bafna Mahaveer Chand

Chairman & Managing Director

CORPORATE GOVERNANCE

CORPORATE GOVERNANCE

For the year ended 31st March, 2018

Corporate Governance provides that a company is directed in such a way that it performs efficiently and effectively, keeping in view the long term interest of the shareholders, while respecting laws and regulations of the land and contributing as a responsible corporate body to the national exchequer.

At the present competitive world including many parts of INDIA, all leading corporates budget adequate time and resources to improve the CORPORATE GOVERNANCE which plays a definite and decisive role in presenting and preserving the IMAGE of the corporate (Cultivated and maintained over the years.) The higher the image of the corporate, higher is the level of confidence of the share holders in the functioning of the Board. This in turn will help the corporate to raise short term working capital from banks and long term funds from different organisations at short notice at cheaper rates. Share holders appreciate the integrity and openness of the management.

Bafna Pharmaceuticals has been maintaining reasonable IMAGE in the market. Despite the adverse circumstances resulting in accumulated loss and non payment of any dividend the company is spoken of well in the market. It should be the endeavour of all concerned to ensure that they do not think or act differently that may bring down the image.

Every company is permitted by law to write-off defaults in realisation of assets after following the laid down rules and regulations. If the default is willful legal action to be initiated after providing requisite provision from profit. If the default is due to other factors, the reasons for the same to be analysed to ensure against repetition. Appropriate timely follow-up action if not taken, should be probed into for staff accountability.

Necessary provision is made at the time of closing of annual accounts. The actual unrealized amount is written off in due course with full disclosure to share holders

MANAGEMENT DISCUSSION AND ANALYSIS

Economic & Industry Overview

The global medicine spending is expected to reach nearly USD 1.5 trillion by 2022, representing 5% CAGR over the next five years. Access to affordable and diverse healthcare solutions, affordable price point, and technology-enabled treatment mechanisms are driving the spending growth across the globe. Increased spending in Oncology, Autoimmune and Diabetology treatments is expected to drive a large part of the spending growth. These therapeutic areas are also a key component of the Company's growth story along with a global franchise of Respiratory and HIV Drugs.

The global regulatory framework has been evolving rapidly with interventions across multiple fronts. Companies across the globe are investing towards their portfolio offerings and expanding their value chains with a focus on complex and difficult-to-develop products, creating manufacturing differentiators, investing in innovative technology platforms and deepening their presence in focused markets. Pharmaceutical markets across the US, India and other geographies are experiencing various new and proposed regulatory interventions requiring pharmaceutical companies to innovate and reinvent their business, operational, marketing and product development strategies.

Generics pharmaceutical manufacturers are playing an increasingly important role across the world in driving access and affordability of drugs. Over the years, generic pharmaceutical players have helped economies and patients save billions of dollars in healthcare spending and have facilitated the world population become healthier.

The global regulatory framework has been evolving rapidly with interventions across multiple fronts. Pharmaceutical markets across the US, India and other geographies are experiencing various new and proposed regulatory interventions requiring pharmaceutical companies to innovate and reinvent their business, operational, marketing and product development strategies. Companies across the globe are investing towards their portfolio offerings and expanding their value chains with a focus on complex and difficult-to-develop products, creating manufacturing differentiators, investing in innovative technology platforms and deepening their presence in focused markets.

The Pharmaceutical industry is one of the fastest growing industries in the world and it is one of the biggest contributors to the world economy. With buoyant financial markets and cyclical recovery in manufacturing and trade under way, world growth is projected to rise from 3.1% in 2016 to 3.5% in 2017 and 3.6% in 2018, according to International Monetary Fund's World Economic Outlook. Growth in Emerging Markets and developing economies is forecast to rise to 4.5% and 4.5%, in 2017 and 2018 respectively.

The worldwide R&D spending on pharmaceuticals is expected to grow at a CAGR of 2.8% from USD 149.8 billion in 2015 to USD 182.0 billion by 2022, faster than the CAGR growth of 1.7% achieved during 2008-15. In spite of the challenging environment, pharmaceutical R&D spend and sales are expected to have a healthy growth trend. The worldwide pharmaceutical sales are likely to grow at a CAGR of 4.4% to USD 1.2 trillion during 2016-2020, driven by growing acceptance of high-priced innovative orphan drugs and ongoing industry consolidation. By 2020, the Pharma industry is expected to record a CAGR of 16.5 per cent. The total industry size is expected to touch US\$ 160 billion by 2017 and US\$ 280 billion by 2020. Hence an attempt had been made to study the trends and patterns of FDI into Healthcare sector from 2012 to 2015. To fulfill this objective the data collected from secondary sources which is purely an Empirical study, reveals that the total FDI inflow into healthcare sector of India from 2012 to 2015 has shown a positive trend.

The world population is expected to grow around 8 billion by 2050. Presently there has been increase in number of people having access to the healthcare. Global spending on medicine is expected to reach USD 1.2 trillion by the end of 2016. India and Indonesia are expected to be the Asia & Australasia region's fastest-growing countries in pharma sales from 2016 - 20, at 13.0% and 11.0% CAGR respectively, due to the rising incidence of chronic diseases and increasing demand from the growing middle class for more advanced medicines.

The Indian pharmaceuticals market is the third largest in terms of volume and thirteenth largest in terms of value, as per a report by Equity Master. India is the largest provider of generic drugs globally with the Indian generics accounting for 20

per cent of global exports in terms of volume. Of late, consolidation has become an important characteristic of the Indian pharmaceutical market as the industry is highly fragmented.

The Indian pharma industry, which is expected to grow over 15 per cent per annum between 2015 and 2020, will outperform the global pharma industry, which is set to grow at an annual rate of 5 per cent between the same period. The market is expected to grow to US\$ 55 billion by 2020, thereby emerging as the sixth largest pharmaceutical market globally by absolute size. India's pharmaceutical exports stood at US\$ 16.4 billion in 2016-17 and are expected to grow by 30 per cent over the next three years to reach US\$ 20 billion by 2020, according to the Pharmaceuticals Export Promotion Council of India

It is also expected that in-organic investments will gain momentum in the medium-term as companies plan to create stronger presence in emerging markets and build expertise in select therapy areas.

Stringent regulatory norms like the Notification of new pricing policy is going to have a great impact on the whole industry by capping of prices of 348 essential medicines based on the arithmetic average of prices of all drugs in a particular segment with more than one per cent market share. Any company changing composition of any of these drugs will need to seek a separate price approval from the regulator or empowered committee and prices will be reviewed periodically. It is estimated that around 30 per cent of the Pharma market would come under price control as compared to 17 per cent previously. The Company manages its product portfolio so as to move away, reduce and minimize the product weight age of drugs under price control.

Risks and concerns

The road ahead is challenging for the Global and Indian pharmaceutical sector. The competition is expected to be more aggressive leading to price pressures. Uncertainty in global economic growth coupled with inflationary pressures is expected to impact the growth rate in India and consequently the Company's operations. Pharmaceuticals markets both domestic and international are more prone to regulatory risks apart from regular business risks. Implementation of Goods and Service Tax would have an impact on the pharmaceutical sector which will result in loss. Stringent norms by the Regulatory Authority would result in discontinuation of manufacture of specific drugs.

Risk management is integral part of the company's plans, business strategies, monitoring systems and results. It takes in all organizational processes geared to early risk detection, identification and timely implementation of appropriate counter-measures.

Your company constantly reviews its policies and procedures to adhere to ensure conformity to the various regulatory approvals for its manufacturing facilities.

The company is in growth/expansion mode requiring further investment; your company is therefore evaluating various options to raise additional funds for which shareholders approval may be sought as and when things are finalized.

Internal Control Systems

The company has reasonable internal control systems, with defined guidelines on compliance, which enables it to run its facilities and head office with a fair degree of comfort.

Internal Audit is being undertaken by Independent Auditor Shri. Mohamrmd Safwan, Chartered Accountant, Chennai, for the Financial year 2017-2018.

Internal controls are implemented to safeguard its assets, to keep constant check on cost structure, to provide adequate financial and accounting controls and implement accounting standards. The system incorporates continuous monitoring, routine reporting, checks and balances, purchase policies, authorization and delegation procedures and audit etc.

Internal controls are adequately supported by Internal Audit and periodic review by the management.

The Audit Committee meets periodically to review with the management, statutory auditors and with the internal auditors, adequacy / scope of internal audit function, significant findings and follow up thereon and findings of any abnormal nature.

The system is improved and modified continuously to meet with changes in business condition, statutory and accounting requirements.

Material Development in Human Resources / Industrial Relations Front

The number of employees as on 31st March, 2018 was 258 as against 230 during FY 17, a net increase of 28 employees.

The growth attained by the Company is largely a function of the competence and quality of its human resources. The work environment is very challenging and performance-oriented, recognizing employee potentials by providing them with adequate opportunities. We have made efforts to discipline our hiring process. Acquisition and retention of talent which is in line with your company's goals continues to be a major thrust area.

STANDALONE - AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BAFNA PHARMACEUTICALS LIMITED

REPORT ON THE STANDALONE INDIAN ACCOUNTING STANDARDS (Ind AS) FINANCIAL STATEMENTS

We have audited the accompanying Standalone Ind AS financial statements of BAFNA PHARMACEUTICALS LIMITED ("the Company"), which comprise the standalone Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of change in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Ind AS financial statements").

MANAGEMENT'S RESPONSIBILITY FOR THE Ind AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows & changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of the appropriate accounting policies, making judgements and estimates that are reasonable and prudent, and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In presenting the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal control relevant to the Company's preparation and fair presentation of the Ind AS financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the Ind AS financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained upto the date of auditors' report. However, future events or conditions may cause an entity to cease as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, subject to the opinion expressed in Annexure "B", the aforesaid Standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018 and its Loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

OTHER MATTERS

The Standalone Ind AS financial statements of the Company for the year ended March 31, 2017, were audited by another auditor who expressed an unmodified opinion on those statements on 27th May 2017. Our opinion is not modified in respect of this matter.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditors' report) Order, 2016 ("the order"), issued by the Central Government in terms of Section 143 (11) of the Act, we give In "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - B to the Independent Auditors' Report on the Financial Statements of
BAFNA PHARMACEUTICALS LIMITED

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s. Bafna Pharmaceuticals Limited ("the Company") as of 31st March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that

transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, except for the following areas:

- a. *Certain Balances of Debtors, Creditors and Deposits with Corporate bodies are subject to confirmation.*
- b. *Closing Balances pertaining to Advances given to suppliers for supply of materials and others remain unconfirmed.*

However, the company has an established set of "internal control over financial reporting criteria" duly taking into consideration the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India,

1 Basis of preparation

The Ministry of Corporate affairs ('the MCA'), Government of India in exercise of the powers conferred by Section 133 read with Section 469 of the Companies act, 2013 (the 'act') and sub-section 1 of Section 210a of the Companies act, 1956 ('the erstwhile act') in consultation with national advisory Committee on accounting standards vide G.S.R. 111(E) dated 15th February, 2015 notified rules called Companies (Indian Accounting Standard) Rules, 2015 effective April 1, 2015. The MCA wide notification GSR 111(E) dated March 30, 2016 issued certain amendments to IND AS vide Companies (Indian accounting Standards) amendment rules 2016.

The MCA vide notification GSR 404(E) dated April 6, 2016 introduced amendments to Schedule III of the Act, requiring companies to prepare the financial statements in compliance with Companies (Indian Accounting Standards) rules, 2015.

The Company which was falling under the Mandatory adoption (Phase II) for listed companies with net worth less than Rs 500 crores (based on audited standalone statements) vide its Board resolution dated 10.11.2017 resolved to adopt Ind AS for the first time in preparation of financial statements for the year ended march 31, 2018. Pursuant to the above resolution and rules framed by MCA, the Company has prepared its financial statements as per Ind AS for the year ended March 31, 2018 with April 1, 2016 being the date of transition.

The comparative figures in the Balance Sheet as at March 31, 2017 and April 1, 2016 and Statement of Profit and Loss and Statement of Cash flow for the year ended march 31, 2017 have been restated accordingly.

The financial statements of the Company have been prepared and presented in accordance with IND-AS principles, however items of assets and Liabilities that have been measured at historical costs.. Management evaluates all the applicable accounting standards on a going concern basis.

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalent, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities except for Receivables.

2 Statement of Compliance with ind AS

The Financial Statements comprising Balance Sheet for three periods, Statement of Profit and Loss, Statement of Changes in equity, Statement of Cash flow together with notes for two periods have been prepared in accordance with Ind AS as notified above duly approved by the Board of Directors at its meeting held on 28th May 2018 These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016.

Upto the year ended March 31, 2017, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) rules, 2006.

3 Basis of measurement

The financial statements have been prepared on the historical cost basis except for Receivables that are measured at fair values at the end of the reporting period.

4 Functional and Presentation Currency

These standalone statements are presented in Indian Rupees which is also the company's functional currency.

All financial information presented in Indian rupees has been rounded to the nearest Lakhs with two decimals except where otherwise indicated.

5 First - time adoption of IND AS - Mandatory exceptions and optional exemptions

(i) Overall principle:

The Company has prepared the Balance Sheet as per IndAS as of april 1, 2016, the transition date (opening IND AS Balance Sheet) by recognising all assets and liabilities whose recognition is required by IND AS, not recognising items of assets or liabilities which are not permitted by IND AS, by reclassifying certain items from previous GAAP to Ind AS as required under the IND AS, and applying IND AS in the measurement of recognised assets and liabilities. However, this principle is subject to certain mandatory exceptions and certain optional exemptions availed by the Company as detailed below.

(ii) Exceptions to retrospective application of other ind AS

- i. Estimates: the Company has not made any changes to estimates made in accordance with previous GAAP.
- ii. Ind AS 109 – Financial instruments (Derecognition of previously recognised financial assets/liabilities)
- iii. Ind AS 109 financial instruments (impairment of financial assets)- The Company has not applied impairment requirements retrospectively.
- v. Ind AS 109 – embedded derivatives - the Company does not have any embedded derivative on the transition date.

(iii) exemptions from retrospective application of IND AS

- i. IndAS 103 Business combination:
The Company does not have any such scenario of Business combination
- ii. Ind AS 102 share based payment:
The Company does not have any share based payment on the transition date hence the requirements of Ind AS 102, in this regard does not arise.
- iii. Ind AS 104 Insurance contracts:
The Company does not have any insurance contracts on the transition date hence the requirements of IndaS 104, in this regard does not arise.
- iv. Ind AS 16 property, plant and equipment/IndaS 38 Intangible asset:
The Company has elected to continue with the carrying amount for all of its PPE, intangible asset measured as per previous GAAP and use that as deemed cost as at the date of transition. The Company does not have any decommissioning liability as on transition date.

- v. IndAS 17 Leases
The Company has assessed all arrangements based on conditions existing as at the date of transition.
- vi. Ind AS 21 Cumulative translation Differences on foreign operations:
the Company does not have foreign operation and hence this exemption does not apply to the Company.
- vii. Long term foreign currency monetary item:
The Company does not have any long term foreign currency monetary items and hence this standard does not apply.
- viii. Ind AS 27 Separate financial statements
The Company has elected to measure its investment in subsidiaries at cost determined in accordance with Ind AS 27 i.e. original cost of investment in subsidiaries.
- ix. Ind AS 32 financial instruments presentation
The Company has not issued any compound financial instruments and hence this standard doesnot apply to the Company.
- x. Ind AS 109 financial instruments
the Company does not have any designated unquoted equity instruments in companies other than subsidiaries
- xi. Ind AS 105 Non-Current assets held for Sale and Discontinued operations:
The Company does not have any non-current asset/disposal group to be classified as held for sale. However, since there were no operations or business conducted in the case of subsidiary, this may be construed as "Discontinued operations". The measurement of fair value in this case has been deferred taking into consideration IND AS 10:"events occurring after the reporting date" whereby the management had already taken a principle decision to wind up the subsidiary company.

6 Critical Accounting Judgments, Assumptions and Key Sources of estimation Uncertainty

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an on going basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Assumptions and Key Sources of estimation Uncertainty

a. Useful life of Property, Plant & equipment (PPE)

The Company has reviewed the estimated useful lives of PPE at the end of each reporting period.

Asset Category	Management estimate of useful life (in years)
Buildings	30
Plant and Machinery	20
Furniture and fixtures	10
Other equipment	5
Vehicles	8

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable, accumulated impairment losses. Cost includes expenditure that is directly attributable to acquisition of the asset. the cost of self constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses on disposal of an item of property plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognised net within "other income/other expenses" in the Statement of Profit and Loss.

Subsequent costs

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefit embodied within the part will flow to the Company and its cost can be measured reliably. the carrying amount of the replaced part is de-recognised. the cost of day to day servicing of property, plant and equipment are recognised in Statement of Profit or Loss.

Depreciation

Depreciation is recognized in the Statement of Profit and Loss under Straight Line basis over the estimated useful lives of each part of an item of property, plant and equipment as prescribed in schedule II. Assets costing Rs.5000 or below acquired during the year considered not material and are depreciated in full retaining Re.1/- per asset. the Useful life other than that described in Schedule II adopted are furnished below.

The depreciation method, useful lives and residual value are reviewed at each of the reporting date.

Intangible assets

Intangible assets that are acquired by the Company, which have finite useful lives are measured at cost less accumulated amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the intangible asset.

Subsequent expenditure

Susbequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, are recognised in the Statement of Profit and Loss.

Amortisation of intangible asset with finite useful lives

Amortisation is recognised in the Statement of Profit and Loss on a straight line basis over the estimated useful lives of intangible assets from the date that they are available to use based on the estimates made by the management with respect to the useful life and residual value.

Amortization methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

b. Financial instruments

- (i) Financial assets - Investment in subsidiaries, associates and joint ventures:
 - a. The Company has investments in its wholly subsidiary, Bafna Lifestyle Remedies Limited (BLRL) in the form of Equity shares and has controlling stakes over the entity's affairs (IND AS 112). The Company

on application of the principle of IND AS 10 (Events occurring after the reporting period), has chosen not to designate as investment at FVTOCI. The Subsidiary does not qualify to be recognised as Going concern upon application of the appropriate tests as at the reporting date. Even as at reporting date, the Management had decided to hive off Land and building of the subsidiary as the first step towards winding up, and hence, based on such events, the Company has opted to state the investment at Indian GAAP values, and not to adopt FVTOCI as at the reporting date.

- (ii). During the reporting period, the Company sold shares held in Strides Health care Pvt Ltd., and have recognised the gains in Statement of Profit or loss.

The Company does not have any associates or Jointventures.

- (iii) Financial assets - other than investment in subsidiaries, financial assets comprises of Trade receivables, cash and cash equivalents and other financial assets like Advances to suppliers, Subsidiary company and to others.

Initial recognition:

All financial assets are recognised initially at Fair value plus transaction costs that are attributable to the Acquisition of the financial asset (In case of financial assets not recorded at FVTPL, transaction costs are recognised immediately in Statement of Profit and Loss). Purchase or sale of financial asset within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date.

Subsequent measurement:

- i) Trade receivable :

An impairment analysis is performed at each reporting date. the expected credit losses over lifetime of the asset are estimated by adopting the simplified approach using a provision matrix which is based on historical loss rate reflecting future economic conditions. In this approach, assets are grouped on the basis of similar credit characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

The Company has already effected measurements at Fair value by conducting a realistic assessment on the probability of recoverability and have recognised the impairment vide FVTPL methodology itself.

- ii) Other financial assets

In respect of Advances to Subsidiary, M/s Bafna Lifestyle Remedies Limited, the approach adopted in case of investment in the same applies. Reference is drawn to Clause b(i) above, whereby the Company has opted for non- adoption of FVTOCI as at the reporting date since principal decision has been taken to wind up the subsidiary.

Derecognition on financial asset

Financial assets are derecognised when the contractual right to cash flows from the financial asset expire or the financial asset is transferred and the transfer qualifies for Derecognition. On Derecognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of Derecognition) and the consideration received (including any new asset obtained less any new liability assumed) shall be recognised in the Statement of Profit and Loss.

c. Financial liabilities initial recognition and measurement

Financial liabilities are initially recognised at fair value plus any transaction cost that are attributable to the acquisition of financial liability except financial liabilities at fair value through profit and loss which are initially measured at fair value.

Subsequent measurement

The financial liabilities are classified for subsequent measurement into following categories

- at amortised cost
- at fair value through the Statement of Profit and Loss

Financial liabilities at amortised cost

the Company is classifying the following under amortised cost;

- a) Borrowings from banks
- b) Borrowings from others
- c) trade payables
- d) other financial Liabilities

Amortised cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount.

Financial liability at Fair Value through Statement of Profit and Loss

There are no financial liabilities of the Company that held for trading purposes.

De-recognition of financial liabilities

A financial liability is de-recognised when and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

Derivative financial instruments

The Company does not have any foreign exchange forward contracts and options, and neither has the company designated any hedge instruments.

Offsetting of financial assets and liabilities

Financial assets and liabilities are offset and the net amount is presented in Balance Sheet when, and only when, the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

Reclassification of financial assets

The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

d. Share capital

Equity Shares are classified as equity. Where any shares are issued, incremental costs directly attributable to the issue of new equity shares or share options will be recognised as deduction from equity, net of any tax effects.

e. Impairment of Non financial assets

The carrying amount of the Company's non-financial asset, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. An impairment loss is recognized if the carrying of amount an asset or its cash generating unit exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. Impairment losses recognised in respect of cash generating unit are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit or group of units on a pro rata basis.

Reversal of impairment loss

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

f. Leases

The Company has not entered into any Operational or Finance lease.

g. Inventories

Inventories are measured at the lower of cost (determined using Weighted average method) and net realizable value. Cost comprises the fair value of consideration for the purchase and all directly attributable costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and estimated cost necessary to make the sale.

h. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefit will be required to settle the obligation. If the effect of the time value of money is material, provisions are discounted using current pre-tax rate that reflects, where appropriate, the risk specified to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as finance cost.

A provision for onerous contracts is recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognizes any impairment loss on the assets associated with that contract.

Contingent liabilities are disclosed in the financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

i. Revenue recognition

Revenue from the sale of goods is measured at fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognised when the significant risk and reward of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, and the amount of revenue can be measured reliably. Transfer of risk and reward vary depending on the individual terms of the contract of sale.

j. Employee Benefits - Defined Benefit Obligations (DBO)

Employee benefits are accrued in the period in which the associated services are rendered by employees of the Company, as detailed below:

i) Defined contribution plan (Provident fund)

In accordance with Indian law, eligible employees receive benefit from provident fund, which is a defined contribution plan. Both the employee and employer make monthly contributions to the plan, each equal to a specific percentage of employee's basic salary. The Company has no further obligations under the plan beyond its monthly contributions. The Company does not have any legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee service in the current and prior periods. Obligation for contributions to the plan is recognised as an employee benefit expense in the Statement of Profit and Loss when incurred.

ii) Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan (Gratuity Plan) covering eligible employees in accordance with Indian Law. The Gratuity Plan provides for a lump sum payment to vested employees on retirement, death while employment or on termination of employment in an amount equivalent to 15 days last drawn salary payable for each completed year of services. The liability for the eligible employees is determined on the basis of actuarial valuation as on the balance sheet date, using projected unit credit method and is funded with Gratuity fund managed by Life Insurance Corporation of India Ltd.

k. Finance income and expense

Finance income comprises of interest income on funds invested, dividend income, fair value gains on financial assets at fair value through profit or loss. Interest income is recognised using effective interest method.

Finance expense comprises of interest expense on loans and borrowings, bank charges, unwinding of discount on provision, fair value losses on financial asset through FVTPL that are recognised in the Statement of Profit and Loss.

l. Borrowing costs

Borrowing costs that are directly attributable to acquisition, construction or production of a qualifying asset are capitalised as part of cost of that asset. Other borrowing costs are recognized as expenses in the period in which they are incurred. To the extent the Company borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the Company determines the amount of borrowings costs eligible for capitalization by applying a capitalization rate to the expenditure incurred on such asset. The capitalization rate is determined based on the weighted average of borrowing costs applicable to the borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of qualifying asset.

The amount of borrowing costs that the Company capitalizes during a period does not exceed the amount of borrowing costs incurred during that period.

m. Income taxes

Income tax expense comprises current and deferred tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent it relates to items recognised directly in equity or in other comprehensive income. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date. Minimum alternate tax (MAT) is accounted as current tax when the Company is subjected to such provisions of the Income tax act. However, credit of such MAT paid is available when the Company is subjected to tax as per normal provisions in the future. Credit on account of MAT is recognized as an asset based on the management's estimate of its recoverability in the future.

Deferred tax is recognized using the Balance Sheet method, providing for temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognized for the following temporary differences:

- (i) the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss
- (ii) Differences relating to investments in subsidiaries and associates to the extent that it is probable that they will not reverse in the foreseeable future.
- (iii) arising due to taxable temporary differences on the initial recognition of goodwill, as the same is not deductible for tax purposes.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

A deferred tax asset is recognized to the extent it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

n. Foreign Currency Transactions and balances

Transactions in foreign currencies are initially recognised in the financial statements using exchange rate prevailing on the date of transaction. Monetary and Non-monetary assets and liabilities denominated in foreign currencies are translated to the relevant functional currency at the exchange rates prevailing at the reporting date. foreign currency differences arising on translation are recognised in Statement of Profit and Loss for determination of net profit or loss during the period.

7. Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders by the weighted average number of ordinary shares outstanding during the period. Where ordinary shares are issued but not fully paid, they are treated in the calculation of basic earnings per share as a fraction of an ordinary share to the extent that they were entitled to participate in dividends during the period relative to a fully paid ordinary share. Diluted EPS is determined by adjusting profit or loss attributable to ordinary shareholders and the weighted average number of shares outstanding for the effects of all potential ordinary shares, which include share options granted to employee if any, to the extent that partly paid shares are not entitled to participate in dividends during the period. they are treated as equivalent of warrants or options in the calculation of diluted earnings per share.

8 Fair value measurement

Ind AS require the determination of fair value for both financial and non-financial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal market or the most advantageous market must be accessible to the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company has opted to carry assets and liabilities at historical costs except for Receivables which has been detailed in 6 (b) (iii) (i) above.

9 Current and non-current classification

An asset is classified as current if:

- (a) it is expected to be realised or sold or consumed in the Company's normal operating cycle;
- (b) it is held primarily for the purpose of trading;
- (c) it is expected to be realised within twelve months after the reporting period; or
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

The exception has been in the case of Receivables whereby the Management, in its judgement, has retained certain outstanding balances which are more than 12 months as current.

All other assets are classified as non-current.

A liability is classified as current if:

- (a) it is expected to be settled in normal operating cycle;
- (b) it is held primarily for the purpose of trading;
- (c) it is expected to be settled within twelve months after the reporting period;
- (d) it has no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

10 Statement of Cash Flow

Cash flows are reported using the indirect method, whereby, profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

11 Segment Reporting

Operating segments are identified and reported taking into account the different risks and returns, the organization structure and the internal reporting systems. The Company operates only in one segment namely manufacturing of Pharmaceuticals Accordingly disclosure of segment-wise information is not applicable under Ind AS 108 - operating Segments.

13. Financial risk management

The company has exposure to the following risks from its use of financial instruments.

13.1 Credit risk

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. Ongoing credit evaluation is performed on the financial condition of accounts receivable. Based on such evaluations, the Company has retained outstanding balances of certain parties the age of which is beyond one year after the process of carrying out impairment.

13.2 Liquidity risk : The Company manages liquidity risk by reasonably monitoring forecast and actual cash flows.

13.3 Market risk

Market risk is the risk or uncertainty arising from possible market price movements and their impact on the future performance of a business. the major components of market risk are commodity price risk, foreign currency exchange risk and interest rate risk.

13.3.1 Commodity price risk - the primary commodity price risks that the Company is exposed to include API prices that could adversely affect the value of the Company's financial assets or expected future cash flows.

13.3.2 Foreign currency risk management - The Company makes export sales to countries outside India. the Company is, therefore, exposed to foreign currency risk principally arising out of foreign currency movement against the Indian Currency.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

13.3.3 Foreign currency sensitivity analysis the Company is principally exposed to foreign currency risk against USD, Euro and GBP

Consolidated Financial Statements

CONSOLIDATED - AUDITOR'S REPORT

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BAFNA PHARMACEUTICALS LIMITED

REPORT ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS

We have audited the accompanying Consolidated Ind AS financial statements of BAFNA PHARMACEUTICALS LIMITED ("hereinafter called the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated balance sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of change in Equity for the year then ended, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Ind AS financial statements").

MANAGEMENT'S RESPONSIBILITY FOR THE Ind AS FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the financial position, consolidated financial performance including other comprehensive income, consolidated cash flows & consolidated changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act.

The respective Board of Directors of the companies included in the Group are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of the appropriate accounting policies, making judgements and estimates that are reasonable and prudent, and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In presenting the Consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal control relevant to the Company's preparation and fair presentation of the Ind AS financial statements in order to design audit procedures that are appropriate in the circumstances, but not

for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's directors, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidences obtained up to the date of auditors' report. However, future events or conditions may cause Group to cease as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, subject to the opinion expressed in Annexure "B", the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at 31st March, 2018 and its consolidated loss, consolidated total comprehensive income, Consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

OTHER MATTERS

The Consolidated Ind AS financial statements of the Company for the year ended March 31, 2017, were audited by another auditor who expressed an unmodified opinion on those statements on 27.05.2017. Our opinion is not modified in respect of this matter.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

Annexure “A” to the Independent Auditors’ Report

To the Members of Bafna Pharmaceuticals Limited on the Consolidated Ind AS financial statements for the year ended March 31, 2018

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s. Bafna Pharmaceuticals Limited (“the Holding Company”) as of 31st March 2018 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective board of directors of Holding Company and its subsidiary company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its businesses, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Holding Company and its subsidiary company incorporated in India, internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s and its subsidiary company incorporated in India internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Annexure - B to the Independent Auditors' Report

To the Members of BAFNA PHARMACEUTICALS LIMITED on the Consolidated IND AS Financial Statements for the year ended 31st March 2018

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company incorporated in India, have, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, except for the following areas (with respect to Holding Company):

- a. *Certain Balances of Debtors, Creditors and Deposits with Corporate bodies are subject to confirmation.*
- b. *Closing Balances pertaining to Advances given to suppliers for supply of materials and others remain unconfirmed.*

However, the company has an established set of "internal control over financial reporting criteria" duly taking into consideration the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India,

A. Corporate Information

BAFNA PHARMACEUTICALS LIMITED ("the company") is a public limited company domiciled and incorporated in India having its registered office at No. 299, ThambuChetty street, Chennai – 600 001. The Company's shares are listed and traded on Stock Exchanges in India. The Company is engaged in the business of Manufacture of Pharmaceuticals.

B. Significant Accounting Policies

1. Basis of preparation and consolidation

The Ministry of Corporate affairs ('the MCA'), Government of India in exercise of the powers conferred by Section 133 read with Section 469 of the Companies act, 2013 (the 'act') and sub-section 1 of Section 210a of the Companies act, 1956 ('the erstwhile act') in consultation with national advisory Committee on accounting

Standards vide G.S.R. 111(E) dated 15th February, 2015 notified rules called Companies (Indian Accounting Standard) Rules, 2015 effective April 1, 2015. The MCA wide notification GSR 111(E) dated March 30, 2016 issued certain amendments to IND AS vide Companies (Indian accounting Standards) amendment rules 2016.

The MCA vide notification GSR 404(E) dated April 6, 2016 introduced amendments to Schedule III of the Act, requiring companies to prepare the financial statements in compliance with Companies (Indian Accounting Standards) rules, 2015.

The Group which was falling under the Mandatory adoption (Phase II) for listed companies with net worth less than Rs 500 crores (based on audited standalone statements) vide its Board resolution dated 10.11.2017 resolved to adopt Ind AS for the first time in preparation of financial statements for the year ended march 31, 2018. Pursuant to the above resolution and rules framed by MCA, the Group has prepared its financial statements as per Ind AS for the year ended March 31, 2018 with April 1, 2017 being the date of transition.

The Consolidated financial statements comprise the financial statements of BAFNA PHARMACEUTICALS LIMITED (the holding company), its subsidiary company BAFNA LIFESTYLE REMEDIES LIMITED (the holding company and its subsidiary is referred to as group).

The comparative figures in the Balance Sheet as at March 31, 2017 and April 1, 2016 and Statement of Profit and loss and Statement of Cash Flow for the year ended March 31, 2017 have been restated accordingly.

The financial statements of the group have been prepared and presented in accordance with the Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis of accounting. GAAP comprises of Indian Accounting Standards as specified in Section 133 of the Act read together with Rule 4 of companies (Indian Accounting Standard) Amendment Rules, 2016 to the extent applicable, pronouncements of regulatory bodies applicable to the group and other provisions of the Act. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or revision to existing accounting standards requires a change in the accounting policy hitherto in use. Management evaluates all recently issued or revised accounting standards on an going concern basis.

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria.. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalent, the Group has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities, except in the case of Receivables.

The companies considered in consolidation are BAFNA PHARMACEUTICALS LIMITED (the holding company), its subsidiary company BAFNA LIFESTYLE REMEDIES LIMITED (the holding company and its subsidiary is referred to as group).

2 Statement of Compliance with Ind AS

The Financial Statements comprising Balance Sheet, Statement of Profit and Loss, Statement of Changes in Equity, Statements of Cash Flow together with notes for the year ended March 31, 2018 have been prepared in accordance with Ind AS as notified above duly approved by the Board of Directors' at its meeting held on 28th May 2018. These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016. Refer Note 5 for the details of first-time adoption exemptions availed by the Group.

Upto the year ended March 31, 2017, the Group prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006.

3 Basis of measurement

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period. These are explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

4 Functional and Presentation Currency

Items included in financial statements of the Group are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian rupee is the functional currency of the Company.

The Financial Statements are presented in Indian Rupees which is company's presentation currency. All financial information presented in Indian Rupees has been rounded to the nearest Lakhs with two decimals except where otherwise indicated.

5 First - time adoption of Ind AS - Mandatory Exceptions and Optional Exemptions

- (i) Overall principle: The Group has prepared the Balance Sheet as per Ind AS as of April 1, 2016, the transition date (Opening Ind AS Balance Sheet) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying certain items from Previous GAAP to Ind AS as required under the Ind AS, and applying Ind AS in the measurement of recognised assets and liabilities. However, this principle is subject to certain mandatory exceptions and certain optional exemptions availed by the Group as detailed below."
- (ii) Exceptions to retrospective application of Ind AS
 - i. Estimates: the Group has not made any changes to estimates made in accordance with previous GAAP.
 - ii. Ind AS 109 – Financial instruments (Derecognition of previously recognised financial assets/liabilities)
 - iii. Ind AS 109 financial instruments (impairment of financial assets)- The Group has not applied impairment requirements retrospectively.
 - v. Ind AS 109 – embedded derivatives - the Group does not have any embedded derivative on the transition date.
- (iii) Exemptions from retrospective application of IND AS

- i. Ind AS 103 Business combination
This IND AS is not applicable to this group.
- ii. Ind AS 102 share based payment
The group does not have any share based payment on the transition date hence the requirements of Ind AS 102, in this regard does not arise.”
- iii. Ind AS 104 Insurance contracts:
The group does not have any insurance contracts on the transition date hence the requirements of Ind AS 104, in this regard does not arise.”
- iv. Ind AS 16 Property, Plant and equipment/Ind AS 38 Intangible asset:
The group has elected to continue with the carrying amount for all of its PPE, intangible asset measured as per Previous GAAP and use that as deemed cost as at the date of transition. The group does not have any decommissioning liability as on transition date.
- v. Ind AS 17 Leases The group has assessed all arrangements based on conditions existing as at the date of transition.
- vi. Ind AS 21 Cumulative Translation Differences on Foreign Operations
The group does not have foreign operation and hence this exemption does not apply to the Company.
- vii. Long term foreign currency monetary item
The group did not adopt the policy of amortising exchange differences on long term foreign currency monetary items and hence this exemption does not apply.
- viii. Ind AS 27 Separate financial statements
The group has elected to measure its investment in subsidiaries at cost determined in accordance with Ind AS 27 i.e. Original cost of investment in subsidiaries.
- ix. Ind AS 32 financial instruments presentation
The group has not issued any compound financial instruments and hence this exemption does not apply to the Company.
- x. Ind AS 109 financial instruments
The group has designated unquoted equity instruments in companies other than subsidiaries as at FVTOCI, based on the assessment made on the date of transition to Ind AS.
- xi. Ind AS 105 Non-Current Assets held for Sale and Discontinued Operations -
The group does not have any non-current asset/disposal group to be classified as held for sale. Hence, this exemption is not applicable to the group.

6 Critical Accounting Judgments, Assumptions and Key Sources of Estimation Uncertainty

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Assumptions and Key Sources of Estimation Uncertainty

a. Useful life of Property, Plant & Equipment (PPE)

The group reviews the estimated useful lives of PPE at the end of each reporting period.

Asset Category	Management estimate of useful life (in years)
Buildings	30
Plant and Machinery	20
Furniture and fixtures	10
Other equipment	5
Vehicles	8

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable, accumulated impairment losses. Cost includes expenditure that is directly attributable to acquisition of the asset. the cost of self constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses on disposal of an item of property plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognised net within "other income/other expenses" in the Statement of Profit and Loss.

Subsequent costs

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefit embodied within the part will flow to the Company and its cost can be measured reliably. the carrying amount of the replaced part is de-recognised. the cost of day to day servicing of property, plant and equipment are recognised in Statement of Profit or Loss.

Depreciation

Depreciation is recognized in the Statement of Profit and Loss under Straight Line basis over the estimated useful lives of each part of an item of property, plant and equipment as prescribed in schedule II. Assets costing Rs.5000 or below acquired during the year considered not material and are depreciated in full retaining Re.1/- per asset. The depreciation method, useful lives and residual value are reviewed at each of the reporting date.

Intangible assets

Intangible assets that are acquired by the Company, which have finite useful lives are measured at cost less accumulated amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the intangible asset.

Subsequent expenditure

Susbequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, are recognised in the Statement of Profit and Loss.

Amortisation of intangible asset with finite useful lives

Amortisation is recognised in the Statement of Profit and Loss on a straight line basis over the estimated useful lives of intangible assets from the date that they are available to use based on the estimates made by the management with respect to the useful life and residual value.

Amortization methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

b. Financial Instruments

(i) Financial assets - Investment in subsidiaries, associates and joint ventures:

- a. In this group, the parent company has investments in its wholly subsidiary, Bafna Lifestyle Remedies Limited (BLRL) in the form of Equity shares and has controlling stakes over the entity's affairs (IND AS 112). The Company on application of the principle of IND AS 10 (Events occurring after the reporting period), has chosen not to designate as investment at FVTOCI. The Subsidiary does not qualify to be recognised as Going concern upon application of the appropriate tests as at the reporting date. Even as at reporting date, the Management had decided to hive off Land and building of the subsidiary as the first step towards winding up, and hence, based on such events, the Company has opted to state the investment at Indian GAAP values, and not to adopt FVTOCI as at the reporting date.
- b. During the reporting period, the Company sold shares held in Strides Health care Pvt Ltd., and have recognised the gains in Statement of Profit or loss.

The Group does not have any associates or Jointventures.

(ii) Financial assets - other than investment in subsidiaries, financial assets comprises of Trade receivables, cash and cash equivalents and other financial assets like Advances to suppliers, Subsidiary company and to others.

Initial recognition:

All financial assets are recognised initially at Fair value plus transaction costs that are attributable to the Acquisition of the financial asset (In case of financial assets not recorded at FVTPL, transaction costs are recognised immediately in Statement of Profit and Loss). Purchase or sale of financial asset within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date.

Subsequent measurement:

- a) Trade receivable :An impairment analysis is performed at each reporting date. the expected credit losses over lifetime of the asset are estimated by adopting the simplified approach using a provision matrix which is based on historical loss rate reflecting future economic conditions. In this approach, assets are grouped on the basis of similar credit characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

The Group has already effected measurements at Fair value by conducting a realistic assessment on the probability of realistic recoverability and have recognised the impairment vide FVTPL methodology itself by writing off the gross carrying amount.

b) Other financial assets

In respect of Advances to Subsidiary, M/s Bafna Lifestyle Remedies Limited, the approach adopted in case of investment in the same applies. Reference is drawn to Clause 7 (i) (a) under Financial Instruments above, whereby the Group has opted for not adoption of FVTOCI as at the reporting date since principal decision has been taken to wind up the subsidiary.

Derecognition on financial asset

Financial assets are derecognised when the contractual right to cash flows from the financial asset expire or the financial asset is transferred and the transfer qualifies for Derecognition. On Derecognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of Derecognition) and the consideration received (including any new asset obtained less any new liability assumed) shall be recognised in the Statement of Profit and Loss.

c. Financial liabilities

Initial recognition and measurement

Financial liabilities are initially recognised at fair value plus any transaction cost that are attributable to the acquisition of financial liability except financial liabilities at fair value through profit and loss which are initially measured at fair value.

Subsequent measurement

The financial liabilities are classified for subsequent measurement into following categories

-at amortised cost

-at fair value through the Statement of Profit and Loss

Financial liabilities at amortised cost

The Group is classifying the following under amortised cost;

- a) Borrowings from banks
- b) Borrowings from others
- c) Finance lease liabilities
- d) Trade payables
- e) Other Financial Liabilities

Amortised cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount.

Financial liability at Fair Value through Statement of Profit and Loss

There are no financial liabilities of the Group that are held for trading purposes.

De-recognition of financial liabilities

A financial liability is de-recognised when and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

Derivative financial instruments

The Group does not have any foreign exchange forward contracts and options, and neither has the company designated any hedge instruments

Offsetting of financial assets and liabilities

Financial assets and liabilities are offset and the net amount is presented in Balance Sheet when, and only when, the Group has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

Reclassification of financial assets

The group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

d. Share capital

Equity Shares are classified as equity. Where any shares are issued, incremental costs directly attributable to the issue of new equity shares or share options will be recognised as deduction from equity, net of any tax effects.

e. Impairment of Non financial assets

The carrying amount of the group's non-financial asset, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. An impairment loss is recognized if the carrying amount of an asset or its cash generating unit exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. Impairment losses recognised in respect of cash generating unit are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit or group of units on a pro rata basis.

Reversal of impairment loss

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

f. Leases

The Group has not entered into any Operational or Finance lease.

g. Inventories

Inventories are measured at the lower of cost (determined using Weighted average method) and net realizable value. Cost comprises the fair value of consideration for the purchase and all directly attributable costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and estimated cost necessary to make the sale.

h. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized if, as a result of a past event, the group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefit will be required to settle the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risk specified to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as finance cost.

A provision for onerous contracts is recognized when the expected benefits to be derived from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the group recognizes any impairment loss on the assets associated with that contract.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

i. Revenue recognition

Revenue from the sale of goods is measured at fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognised when the significant risk and reward of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, and the amount of revenue can be measured reliably. Transfer of risk and reward vary depending on the individual terms of the contract of sale.

j. Employee benefits

Employee benefits are accrued in the period in which the associated services are rendered by employees of the Group, as detailed below:

i) Defined contribution plan (Provident fund)

In accordance with Indian law, eligible employees receive benefit from provident fund, which is a defined contribution plan. Both the employee and employer make monthly contributions to the plan, each equal to a specific percentage of employee's basic salary. The Group has no further obligations under the plan beyond its monthly contributions. The Group does not have any legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee service in the current and prior periods. Obligation for contributions to the plan is recognised as an employee benefit expense in the Statement of Profit and Loss when incurred.

ii) Gratuity

The Group has an obligation towards gratuity, a defined benefit retirement plan (Gratuity Plan) covering eligible employees in accordance with Indian Law. The Gratuity Plan provides for a lump sum payment to vested employees on retirement, death while employment or on termination of employment in an amount equivalent to 15 days last drawn salary payable for each completed year of services. The liability for the eligible employees is determined on the basis of actuarial valuation as on the balance sheet date, using projected unit credit method and is funded with Gratuity fund managed by **Life Insurance Corporation of India Ltd.**

k. Finance Income and expense

Finance income comprises of interest income on funds invested, dividend income, fair value gains on financial assets at fair value through profit or loss. Interest income is recognised using effective interest method.

Finance expense comprises of interest expense on loans and borrowings, bank charges, unwinding of discount on provision, fair value losses on financial asset through FVTPL that are recognised in the Statement of Profit and Loss.

l. Borrowing costs

Borrowing costs that are directly attributable to acquisition, construction or production of a qualifying asset are capitalised as part of cost of that asset. Other borrowing costs are recognized as expenses in the period in which they are incurred. To the extent the group borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the group determines the amount of borrowings costs eligible for capitalization by applying a capitalization rate to the expenditure incurred on such asset. The capitalization rate is determined based on the weighted average of borrowing costs applicable to the borrowings of the group which are outstanding during the period, other than borrowings made specifically towards purchase of qualifying asset. The amount of borrowing costs that the group capitalizes during a period does not exceed the amount of borrowing costs incurred during that period.

m. Income taxes

Income tax expense comprises current and deferred tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent it relates to items recognised directly in equity or in other comprehensive income. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date. Minimum Alternate Tax (MAT) is accounted as current tax when the Company is subjected to such provisions of the Income Tax Act. However, credit of such MAT paid is available when the Company is subjected to tax as per normal provisions in the future. Credit on account of MAT is recognized as an asset based on the management's estimate of its recoverability in the future.

Deferred tax is recognized using the Balance Sheet method, providing for temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognized for the following temporary differences:

- i) The initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss
- ii) Arising due to taxable temporary differences on the initial recognition of goodwill, as the same is not deductible for tax purposes.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

A deferred tax asset is recognized to the extent it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

n. Foreign Currency Transactions and balances

Transactions in foreign currencies are initially recognised in the financial statements using exchange rate prevailing on the date of transaction. Monetary and Non-monetary assets and liabilities denominated in foreign currencies are translated to the relevant functional currency at the exchange rates prevailing at the reporting date. Foreign currency differences arising on translation are recognised in Statement of Profit and Loss for determination of net profit or loss during the period."

7 Earnings per share

The Group presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders by the weighted average number of ordinary shares outstanding during the period. Where ordinary shares are issued but not fully paid, they are treated in the calculation of basic earnings per share as a fraction of an ordinary share to the extent that they were entitled to participate in dividends during the period relative to a fully paid ordinary share. Diluted EPS is determined by adjusting profit or loss attributable to ordinary shareholders and the weighted average number of shares outstanding for the effects of all potential ordinary shares, which include share options granted to employee if any, to the extent that partly paid shares are not entitled to participate in dividends during the period. They are treated as equivalent of warrants or options in the calculation of diluted earnings per share.

8 Fair value measurement

Ind AS require the determination of fair value for both financial and non-financial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the

asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal market or the most advantageous market must be accessible to the group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company has opted to carry assets and liabilities at historical costs except for Receivables which has been detailed in 6 (b) (iii) (i) above.

9 Current and non-current classification

An asset is classified as current if:

- (a) it is expected to be realised or sold or consumed in the Company's normal operating cycle;
- (b) it is held primarily for the purpose of trading;
- (c) it is expected to be realised within twelve months after the reporting period; or
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

The exception has been in the case of Receivables whereby the Management, in its judgement, has retained certain outstanding balances which are more than 12 months as current.

All other assets are classified as non-current.

A liability is classified as current if:

- (a) it is expected to be settled in normal operating cycle;
- (b) it is held primarily for the purpose of trading;
- (c) it is expected to be settled within twelve months after the reporting period;
- (d) it has no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

10 Statement of Cash Flow

Cash flows are reported using the indirect method, whereby, profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

11 Segment Reporting

Operating segments are identified and reported taking into account the different risks and returns, the organization structure and the internal reporting systems. The group operates only in one segment i.e., Manufacture of Pharmaceuticals.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO. 5:

The Board of Directors of the Company at their meeting held on 28th July 2017, has, on recommendation by the Audit Committee, appointed M/s Thanigaimani & Associates (FRN No.101899), Cost Accountants as the Cost Auditors for the Financial year 2017-18 at a remuneration of Rs. 45,000/- (Rupees Forty Five Thousand Only) plus applicable taxes and out of pocket expenses.

As per Section 148 of Companies Act, 2013 and applicable rules thereunder, the remuneration payable to the Cost Auditor has to be ratified by the members of the Company.

The Board considers the remuneration payable to the cost auditor as fair and recommends the resolution contained in item no.5 of the accompanying notice for approval of the members as an Ordinary Resolution.

No Director, Key Managerial Persons (KMPs) or their relatives, are concerned or interested in the said resolution.

ITEM NO. 6:

Mr. V. Rajamani is a Non-Executive Independent Director of the Company. He joined the Board of Directors in 20.10.2005. He was appointed as Non-Executive Independent Director for a period of five years i.e 10.09.2014 upto 09.09.2019. His current terms expire on 09.09.2019.

As per the provisions of the Companies Act, 2013 Independent Directors can be re-appointed for a period of 5 (five) years by passing special resolution in general meeting . In terms of Section 149 and the rules made thereunder & other applicable provisions of the Companies Act, 2013, Mr. V. Rajamani being eligible, is proposed to be re-appointed as an Independent Director for a term of five years. The Company has received from Mr. V. Rajamani a declaration to the effect that he meets the criteria of Independence as provided in sub-section (6) of Section 149 of the Companies Act, 2013. The resolution seeks the approval of members for the re-appointment of Mr. V. Rajamani as an Independent Director of the Company from 10.09.2019 upto 09.09.2024 pursuant to Section 149 and other applicable provisions of the Companies Act, 2013 and the rules made thereunder.
